**Subject:** "SAFE" glyphosate levels  
**Date:** Wednesday, June 21, 2017 11:25:30 AM

---

Please I beg of you if you have any control over this, for the sake of my 4 children and all children and families across CA, set the safe levels of glyphosate at 0.

There is NO SAFE LEVEL.

Thank you for taking the time to read this.
